Thanks Pat. I know David Ostrander is working to gather responses to some the things that came up in his call with Monica and Doug.

I've added David so he can provide the info to this group once it is ready.

Subject: GKM Intermediate Treatment

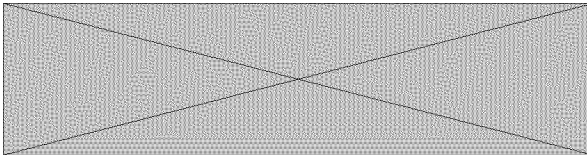

Shaun,

Thanks for the heads up on the GKM intermediate treatment proposal. I think you were going to send me something on this, but please provide that to this email group for ease of getting all in CDPHE informed. Are you still on track for announcement tomorrow at 10:00am?

Pat
